

## MMCCNSW 40<sup>th</sup> Anniversary Celebrations

We are now getting to the end of 2018, with this being the last edition of *Minor Torque* for the year. So, has it been a good year? Has it been a special year for our club?

It can only happen every 10 years, and it will be another 10 years until our next major celebration (OK, 45 could be a 'minor' celebration...). How has 2018 been for our club? In a word - fantastic!

The 40-year celebrations have been part of our events calendar all year, with the twin highlights being the Anniversary Dinner at Kareela Golf Club and, of course, our annual Show and Shine at All British Day.

Add to that the success of our 40-year regalia sales and it's really been a year-long celebration!

Congratulations to Ann Thompson for driving the 40-year Anniversary bus, she has done an absolutely magnificent job! Ann has been the financial wiz behind the regalia and the dinner, the two special 'events' for our 40th year.

The dinner - wow, what a wonderful evening! About 50 club members came together at Kareela Golf Club on 13 Oct, from near and (very) far, to join together in a special celebration - and not just for our 40 years - but also for the 70 years of the Morris Minor, too.

Have a look at the photos elsewhere in this magazine, both the dinner and All British Day. It's always good to have a reason to party.
