

Berry - 20 May National Motoring Heritage Day

The National Motoring Heritage Day in Berry was not a good day. No, it wasn't. 'Good' just doesn't do the day justice. Try the words 'brilliant', or 'wonderful', or 'fantastic', or 'don't-whatever-you-do-miss-this-event-in-2019!' Am I convincing you?

The early start was worth it; 7.00am at Heathcote McDonalds for some, the rest joined the convoy at Nungary Rest Area at Dunmore. From there it was a case of 'Roll on down the highway' to Berry; a great view for those towards the rear, Morries as far as the eye could see.

Military precision when parking at the showground was ensured by Bob Gilliland – the line-up of Minors looked superb! They

enjoy the festival atmosphere

certainly attracted heaps of public interest during the day.

Some of our club members parked their cars and headed the two blocks into Berry for breakfast, some sat around and talked, while others took a lot of interest in the multitude of different makes and models on display. It was a terrific display of cars.

Speaking of the other cars, there were over 350 on display; classics, muscle cars, exotics, hot rods, even an immaculate Renault Floride! The biggest display on the day was, of course, the MMCCNSW.

With so many exquisite cars, the chance of winning a prize would seem pretty remote, right? Yes! Not so for our Mr President, Graeme Gould, whose red van picked up second place in the modified division; that's 2nd out of at least 200 vehicles, an awesome achievement. Congratulations, Graeme!

A word or two of advice: don't miss the Berry car show in 2019; it's more than just a 'good' day... Cheers, Owen Sinden
