

Gnoo Blas - 17, 18 February

We meet at Eastern Creek McDonalds - Bob Gilliland, Anthony Michael, Les Whale and me. A call from Graeme: his red van was playing up (fuel problems) so they will meet us at Lithgow with their modern.

At Orange, the 'Thirst Aid' bus transported us to the Waratah Sports Club for dinner and catch up with other members Don Gorton and family, Colin and Rhonda Trusler, Brian and Deb Condon and Trevor and Sue Goodhew.

Up early the next day for the big event at Jack Brabham Park. 12 Morrisies in total, an excellent display, with other classic cars, trucks and bikes.

Above: NSW President Graeme Gould & John Ballard, Central West Region Co-ordinator, with Best Club Display trophy,

Right: Colin Trusler receiving his trophy for Best Pre-1950 Car from Cristine (Cole) Gibson and Simona de Silvestro

The Highlights? Colin Trusler won Best Car up to 1950; the Club won Best Display - so a top day all round.

The after function at the Services Club was just as good with great talks by Fred and Christine Gibson, and Simona Desilvestra of the Harvey Norman V8 Supercar Nissan team.

A great weekend all-round, thanks to everyone who attended.

Cheers,
David Nunn
