

Kendall Trip - Mid North Coast

It was a glorious day for a drive to Kendall for Lunch with like-minded Morris Minor owners. Elaine & I left the beautiful Hat Head & headed to Kempsey to do a few necessary chores before heading off.

On arriving at the Kendall Ex services Club for lunch there was only the two of us so Elaine took a photo of 'Nancy'. We were quickly followed by Greg Pickard, Andrew Stewart, George Perdrisat and Bruce Byron. Both Greg & Bruce came in modern cars; George & Andrew came in George's Morris. We had a lovely lunch & of course there was some tales told of places visited. A gentleman came over & asked whether we knew anything about Morris Minors... apparently he started out on Minors and then started into Rovers.

Elaine took photos of the men & the machines but we did not get a photo of the photographer; sorry Elaine, next time.

Cheers, Glen Brown
