

## Robertson - 8 April

When I arrived at Robertson about 8.30am, Ray Selby, Bill van Diemen and Fred Missingham were already there. The weather was quite warm so we set up the gazebo, got out our chairs and started enjoying the day.

Other club members started to arrive: Steve Peckham, Vince and Judy Holloway, Jim Bowen, Graeme Gould, David Nunn, Ron and Edna Cox, Brian Condon and Glen Gannon. We all talked and wandered around looking at the many other cars that were on display.

It was rather windy and the next thing a gust of wind came up and blew our gazebo almost over the fence near the railway line! We had one corner of the gazebo trying to lift it back over the fence; it was all mangled and ripped when we got it back over. Thanks to Brian who went and retrieved some cable ties and we tied it to the fence.

By now it was time for lunch. After I had my lunch I said goodbye and headed off home after an excellent, enjoyable day.
