

SOUTHERN TABLELANDS REGION

AUSTRALIA DAY, BERRIMA

What a day! Firstly, thank you to all those who turned up with their Morris Minors; 35 in total and 30 in the parade. What a sight! Someone watching the parade said it was Morrisies as far as the eye could see!

The Australia Day parade has always been a favourite of mine and this one was special because so many club members chipped in to help out, from pitching the gazebos to cooking the BBQ, running the raffle and taking lots of photos.

The cars displayed provided a lot of interest and attention for the visitors. We certainly had a wonderful variety of Morris Minors in great condition. Unfortunately it warmed up a bit too much and we 'cooked' in the cars when the parade stopped and we were stuck there along the Old Hume Highway. The air conditioning in our old cars just wasn't up to scratch!

The raffle prize winners were numerous and included: Ken Roberts, Meg Nurse, John Borg, Bryan Brenner, Moya Sambuco, Judy Holloway, Fleur Sullivan, David Nunn, Lorraine Dowel, Sue Sullivan, Jeff Burchell, Mark Sullivan, Jim Bowen, and me!

I'd like to especially thank Trevor and Sue Goodhew from Muswellbrook and John Hepburn from Orange for travelling all that way to be part of the celebrations, it really meant a lot to me. See you all at the next outing!
