

Inaburra School Fete - March 30

An invitation was sent from Keith Pegg of the Inaburra School at Bangor to Martin Chapman to attend the car show at the school fete. It didn't take long for the allocated spaces to be filled with club members once the word was out. Apologies to those who missed out on attending the show - we will hopefully be able to have more attending next year.

In total there were nine Morris Minors, this being the most that have ever been on display at Inaburra - and covering a vast gamut of body types! Those who attended were David Nunn, John Bowmer, Bob Gilliland, Jim Bowen, Jai Sommers, Michael Sepokas, Andy and James Draper, Martin and Marion Chapman and myself.

I think Andy was especially delighted to be at the show as this was the first time he had been out on the road since installing the new motor that he had purchased from the UK.

There were a varied number of other vehicles from Jaguars, Fords, Holdens, Jensens, BMWs, Minis, Chevrolets - but not being biased I thought that our display of Morris Minors took pride of place.

The weather was kind to us as the rain started to ease off in the early morning, but not before causing some hassles for people getting to the show with road blockages due to flooding. All in all, a great day with time to do the normal activities -

such as the most obvious being looking at and talking about the vehicles on display.

Thanks to those who attended and remember for next year, keep an eye out and get in early to beat the rush.

Graeme Gould
