

Macarthur Gardens Retirement Village, Campbelltown - March 10

Mark Sullivan and I arrived about 8.50am, where we met up with fellow members Ray Selby, Bill Van Diemen, Brian Nicholson and Fred Missingham. Bob Gilliland was already there and Owen Sinden arrived about half an hour later.

We had coffee at the coffee shop (highly recommended if you're in the area) where we talked Morris Minors for a while, then decided to have a walk around and look at all the cars. A few grabbed some bargains in the op shop.

We walked around and talked to owners of most of the cars on show. There was a wide variety of cars, some very old ones too - but Morrisies were by far the most numerous and the organisers had us in a row near the main centre.

After lunch it was presentation time and, although we didn't win anything, it was an enjoyable day - and was starting to get hot. Ray Selby got a bit hot too and gave some advice to the organisers for next year's event and judging.

It was time to depart at 1.00pm. We will try to come back next year, even if its just for the coffee!
