

# The Wollongong/Illawarra Report

By :- Ray Davies

Once again we 'down south' people have had a busy programme during the last couple of months. March saw us at the Thirlmere Steam Festival and touring Southern Engineering. Both were most interesting events. I even saw some Morries at the Kurri Kurri Nostalgia Festival.

In April we were at the Joadja Historic Village. This was organized by the Southern Highlands and, despite some poor roads, we had another excellent outing.

May, of course, was the WOI (Wings Over Illawarra) air show. There was only one (1) Morrie from Wollongong there – but neither that nor the weather stopped me from having a great time. By the time you read this we will have also been to the National Motoring Heritage Day at Berry and attended the *Minor Magic* open day at Goulburn.

Coming up in June there is our 'Anniversary' Run to Kangaroo Valley and in July we have our Christmas-in-July luncheon at Rashay's in North Wollongong. Be advised that all are welcome to our Anniversary Run but as we are catering we need to know numbers. If you don't let us know in time then you will have to bring your own sausage to cook!

Looking to the future we have the Shannons day at Eastern Creek and All-British day at the Kings School but as of writing we have little information about these events.

Well, that's all there is for now. Until next time, may all your problems be Minor ones.
