

## Douglas Park Public School Fete - July 28

The invitation was sent out by Scott Barraclough for the club to have a car display at the local public school in Douglas Park.

Douglas Park is a small community south of Campbelltown and, for its size, it ran the best organised fete you could have imagined. There were plenty of games for the children, from mini golf to show bags and everything else in between. Adults did not miss out with plants, coffee vans, eateries and raffles being run all day.

The Club was well attended with a total of ten Morris Minors representing the Sydney, Southern Tablelands and Wollongong/Illawarra regions. Peggy and George Draper from the UK made a special guest appearance who were over for a holiday and staying with their son, Andy and family. It was nice to catch up with them as we have not seen Peggy or George since the Southern Highlands National Rally in 2013.

Another special guest who was escorted into the school grounds by a New York Police Patrol car was superhero Batman, the capped crusader in his Batmobile. The children were really excited to see him with some of the adults equally excited to see his car. After plenty of photos and discussions with Batman it was time for him to leave.

Unfortunately, Batman had to return to his Bat Cave where Robin was waiting to help him with some minor panel damage. Bruce Wayne, alias Batman, must be getting on in years

and possibly needs glasses as he ran into the brightly painted tap on his way out.

A great day was had by all.
