

Wollongong / Illawarra Report

The Wollongong people have had some interesting outings over the last few months. We had a most enjoyable Christmas-in-July luncheon at Rashays, complete with all the Christmas trimmings. Thanks to Wendy and Ted we had bonbons, streamers, hats, sweets to nibble on - very festive indeed.

We next went ten-pin bowling. It's impossible not to win when only one Club is competing. There is a more complete report on this below.

Coming up (at the time of writing) we have All-British Day in September. In October we are learning about Barefoot Bowling at Wiseman's Park followed by a visit to Hill 60 at Port Kembla. We have been invited to the Jamberoo Car Show then the always-enjoyable Kiama Show in November. December brings all the usual (real) Christmas parties including our regular Breakfast-on-the-Beach on Christmas Day. You will have to check the Coming Events for all the details

Well, that's all there is for now. Until next time may all your problems be Minor ones.

Ten-Pin Bowling Day

Saturday 10 August

By:- Ray Davies

There were eleven names down on the list but, in the end, twelve people turned up at the Northern Bowl – most of us at the appointed time of 10:00am (I slept in and was a bit late).

There were three Morries parked outside and the ten of us who bowled had lanes 13 and 14. Peter and Tony (his dialysis mate) were the Cheer Squad and would have worn their short skirts and tight blouses if it hadn't been so cold and windy. The bowling was actually pretty good (for us) with scores (out of 600) ranging between 131 and 240. Loretta (a visitor) top

scored and Sue took home the Wooden Bowl. As you can see, we were NOT on the Magic Lanes (#2 & #3) where Joe Velo bowled his perfect score as #13 & #14 did nothing for us! The real winners, of course, were those who participated as we all had a great time.

After all our exercise we felt entitled to a good lunch so we headed off to the Towradgi Bowls Club as they always put on a good Schnitty'n'Chips. The meal also was a success with talk (and tall tales) filling the time until about 2:00pm when we staggered out to our vehicles.

Our thanks to Peter for arranging the day both at the Bowling Alley and the Bowling Club. It was greatly enjoyed by everybody.
