

Southern Tablelands

You have already noticed the cover of the magazine (difficult not to notice, really) - its our newest club member, Justin Longhurst, doing his very best to be incognito. Yes, that's Justin, manager of Welby Garden Centre, dressed up as Santa, in front of his 'new' delivery van.

As with everything Morris Minor, there is a little bit of history that goes with the vehicle. It was owned, and being restored by, David Moore, but had remained unused since 2003. Someone told Justin, who wanted a van, and then spoke to Ray Selby about it.

So Justin engaged Ray's expertise and, with a lot of help from Keith Beare, the vehicle was transformed from a ute to a van. A new back, timber floor, new brakes and everything made of rubber, the motor and gearbox came out of Brian Nicholson's old ute, a paint job and, three months later, voila!

Fisher's Ghost Parade, Campbelltown

Saturday November 2, about 4.00pm. We gathered in the heat at least an hour earlier as all the streets around central Campbelltown had been closed off, as we waited for our turn to join the parade.

For those who attended it was very much appreciated, I thank them. We had seven Morris Minors in the street parade, but numbers were down on last year.

Those who attended were: Ray Selby, Jim Beaver, Scott & Owen Barraclough, Steve Peakham, Owen Sinden, Mark Sullivan and myself. There were lots of cars from other historic car clubs too.

Coming Events

We have quite a few events coming up so check the list of outings. If in doubt, ring.

Cheers,
Ray Selby and Terry Cullen
