

Southern Tablelands

Happy new year to all our friends in the Southern Tablelands region of the MMCCNSW. We hope you have survived the fires and scorching temperatures and enjoying some welcome cooler and wetter weather.

The big news from the end of 2019 was our Christmas party held on Sunday 1st December. What a turnout! We had 40 people enjoying the meal and wonderful company. The Courtyard Cafe (highly recommended) staff were run off their feet but the quality of service and food never faltered.

As usual, a raffle was held - and as usual everyone won a prize! It was a case of early Christmas presents all round. All our fundraising during the year helped keep the prices down.

By the time you read this our Australia Day outing at Berrima will have been held but I believe there's a report in this issue of the magazine.

The main event coming up is the Berrima Rally:

44th Berrima Rally, Sat 15 + Sun 16 Feb

This is a great weekend, run by the Berrima District Historical Vehicle Club. It is based in Mittagong, starting with a show at Mittagong Public School (enter via Lee St).

Cheers,
Ray Selby and Terry Cullen
