

The Wollongong / Illawarra Report

By:- Ray Davies

BREAKING NEWS May 2020 Wings Over Illawarra has been postponed !!

Due to the coronavirus the May air show has been postponed until the first weekend in November. Any Members who have already entered need not do so again as your existing tickets will be accepted on the new dates. However, it does give those tardy ones amongst us a further opportunity to acquire tickets.

If the situation changes in any way before then and we are allowed to have meetings etc, you will be notified either by email, text or phone.

Here is the booking information for WOI anyway: To enter this show you must book in on-line beforehand – unless you want to line up and buy a ticket at the gate with everybody else on the day. Tickets at the gate cost \$60 per day. Booking in allows you to put your car on display and entry for one (1) driver to the show.

To enter your car, go to *Wings Over Illawarra 2020* web site, then click on the pull down menu titled GET INVOLVED. This gives an option: see CLASSIC CAR REGISTRATION.

At the end of the information is the registration form which you fill in on-line. We have been listed under 'Morris Minor CC of NSW' – and you can't enter without belonging to a Club!

More from the UK

It seems you can't keep a good contributor down. You might recall English tourist, Sophie Keen, sent in a photo she took of a Morrie last issue. Well, Sophie is at it again...

"This is Mum's Morris Minor. All her friends used to pile into it. The car was unfortunately nicknamed 'The Blob'. Mum (Chris) bought it for 150 pounds after passing her driving test in 1979. She sold it to her friend Dave Dancer (pictured) in 1981."
