

The Shire Boys' Breakfast Run

In the last issue of the magazine, Bob Gilliland mentioned in his report that some of the south side members get together for the occasional Sunday Run. The runs are organised by Jim Bowen and probably occur once a month on average.

The run starts at McDonald's at Heathcote, then travelling along the Princes Highway and onto the Motorway where we take the Helensburgh exit, then back along the Old Princes Highway, stopping at the 'Legends Seafood' eatery in Waterfall for breakfast.

We also enjoy observing the array of vintage motor vehicles travelling past in both directions, with the drivers giving a wave and a blast on the horn.

One morning we extended the run to go down through the Royal National Park and on to Bald Hill for a stop - fabulous day and view.

The run is not totally restricted to members who live in the Sutherland Shire. Others members such as Ann Thompson, Stuart Treuer, Les Whale and Brian Nicholson attend to make for a pleasant couple of hours on a Sunday morning.

Meeting at Heathcote prior to the run

The owner is fairly strict in enforcing the COVID restrictions so we all maintain social distancing whilst enjoying the most popular choice for breakfast, which is a bacon and egg roll with a cup of coffee.
