## **Anniversary Run to Kangaroo Valley Sunday 15 Nov**

We will meet at the Nungarry Rest Area from 9.15am, then head to Berry for coffee, and arrive at Kangaroo Valley Showground (the under cover area on the left as you drive into the showground) about 11.00am.

BYO everything. Jim will have his BBQ trailer if you want to cook your lunch.

## **New Wings Over Illawarra**

Wings Over Illawarra (WOI) air show has been postponed – again!

The new date is 13 & 14 November **2021**. The usual date of May was considered but there is no guarantee that the Coronavirus will be sufficiently under control by then to allow such a large event to go ahead - hence the November date was selected.

The organisers (the Brights) are not in a position to refund any tickets that have been purchased but any that have been will

be re-issued for the new date. They have all the email addresses for ticket holders.

As this doesn't apply to those of us who were/are putting our cars on show, we can only assume that new tickets will be issued to us also. It is always possible, of course, that we will have to re-register nearer the time.

For meetings and outings, a COVID register must be kept, so you must contact Jim so he can keep a list of names and contact numbers. At present, numbers are restricted to 20 people.

See you there in November!

Jim Beaver and Ray Davies

## **Southern Tablelands**

Ray Selby is on the mend after his knee operation and Terry Cullen is improving after being in the wars with a few things.

Our outings are limited, but here are some:

**Sun 15 Nov, Kangaroo Valley** - help support our Wollongong/Illawarra friends with their Anniversary Day, it's always a good day out.

**Christmas Breakfast** - to be advised, hopefully if can go ahead.

**Australia Day 2021** - again, same old news, we haven't heard yet if it is on or off.

**Berrima Rally 2021** - This has been cancelled - but the organisers are hopeful for it to go ahead in 2022

Cheers,  
Ray, Terry and Brian
