

Sir Rom: his 2020 in retrospect

I'm not adding this year to my age, I did not use it.

Romance novels written during Covid-19 will be like...

"And then she slowly slipped her mask down, revealing her warm red lips, and her blushed face, and as their eyes met, he gently removed her gloves."

MEANWHILE IN FRANCE...

Lockdown can only go 4-ways. You'll come out a monk, a hunk, a chunk or a drunk. Choose wisely!

TREAT YOUR MASK LIKE UNDERWEAR

1. Do not touch or adjust (especially in public)
2. Do not borrow or lend
3. Make sure it fits tight but comfortable
4. Make sure it's clean (daily or as needed)
5. Wear the right side out.
6. If there's holes in it, throw it away.
7. If it's stained, throw it away.
8. If it's damp, change it.

If you have ever used one of these:

Stay at home! You are in the high risk group.

And the winner for the best number plate of the year is this guy...

Masks are the new bra...

They aren't comfortable, you only wear them in public, people will notice when you DON'T wear one, and you can now get them in every color pattern and style.
