

Mudgee Weekend 3, 4, 5 September

Sue and I have recently spent a couple of days in Mudgee and researched for a weekend there from Friday 3rd to Sunday 5th September. Details as follows:

Accommodation

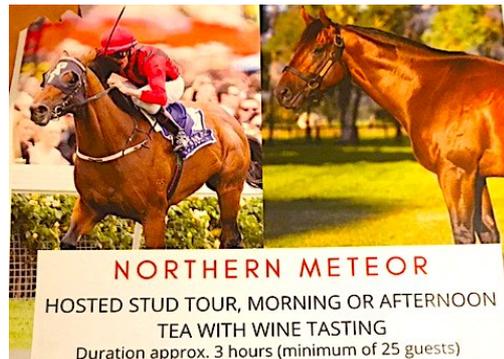

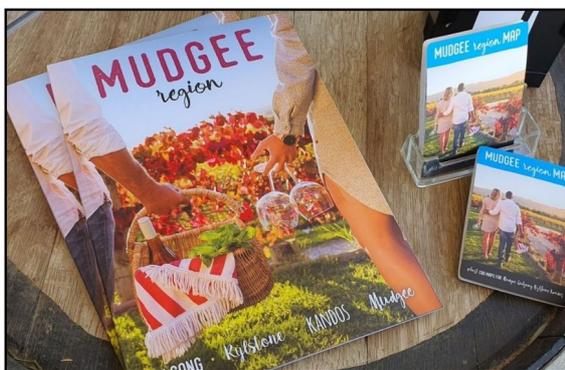

We have tentatively booked the Mudgee Holiday Park, 71 Lions Drive Mudgee (02 6372 1090), for the above dates. 10 units have been reserved for us @ \$130 per night, a discount of \$15 per night. This would reserve Fri and Sat nights. Any further arrangements should be made by individuals. You will need to pay 50 percent deposit by 10th June.

Each person has to book their own cabin, which are held in the name of MMCCNSW John Ballard
Ph 02 6372 1090

Sunday

We have spoken to Vietnam Vets who would cater a breakfast for us at the Arts and Crafts Centre (see photo) - the old railway station, a good place to display the cars with the Cudgegong Valley Car Club, whose headquarters are there. Egg and Bacon roll/sausage sandwich, tea/coffee: max cost \$10

Saturday

We have also tentatively booked a morning at the famous *Gooree Park Stud* (see photo). This is 25km from Mudgee, towards Gulgong. The morning would include an escorted stud tour, wine tasting and morning tea. Time: 9.00am Cost: \$50.00
The remainder of the day would be free time for everyone.

Dinner Saturday night: we could book a table/tables at the Oriental Pub, quite a good venue. However, we would have to know numbers by the first week in August. Believe us when we tell you the town is buzzing and well booked until November at this stage. September is peak season.

The Club's quick response is imperative as availability of accommodation, meals and other activities are very popular. Contact John if you need help with more or alternative accommodation on (H) 6882 7753 or (M) 0418638036
