

## Sydney Report

Hello fellow Morris Minorists...

Did someone say lockdown... again? Just when things were looking up, we're slapped back down again.

I sit and write this in the middle of another one (lockdown that is), and in the school holidays too. Lucky for us we've set up some stretchers in our lounge room and are now 'glamping' there with the kids, and they are loving it. My back isn't loving sleeping on the couch but that's ~~camping~~ glamping sometimes isn't it.

Hopefully some restrictions are eased soon so that we can enjoy some of the outings planned for the coming months.

Don't forget to let me know if you want to come to one of our outings as listed on the Events page. Please RSVP to me either by email, phone call, or text (0412 253 344), just so we know who to expect on the day, or let you know of any last-minute changes (and in case I need to book anything).

**Sunday 25 July - Warragamba Dam** - Meet at 10:30am for lunch (BYO everything - BBQs available for use)

**Sunday 15 August - Shannons Sydney Classic, Eastern Creek Raceway** - contact Ann or Stuart for a ticket if you want to bring your car (limited tickets available)

**Friday 3 - Sunday 5 September - Mudgee Weekend** - please let John Ballard or me know if you're interested and be sure to book your accommodation ASAP.

**Sunday 5 September - Prospect Reservoir** (for anyone not going to the Mudgee weekend) - meet at 10:30am for lunch (BYO everything - BBQs available for use)

## Outings

With winter upon us there hasn't been much recent activity to report on, sadly.

**Breakfast with the Cars at Newington, Sun 6 June:** A much more pleasant day than when we were there last time. After a chilly start to the morning it turned out to be a nice warm sunny day. A hearty breaky and another great catch up together as usual.

Breakfast with the cars, Armory Wharf

**Kangaroo Valley Anniversary Run** with the Wollongong/Illawarra region was sadly cancelled at the last minute due to the predicted inclement weather.

# MORRIS MINOR CAR CLUB OF N.S.W. INC.

**Regalia:** As mentioned previously, our new list is here in the magazine, including the new jackets (2 types), and the new Windscreen Banners. Dare I mention once again that I have some excess stock on hand that's being cleared out at reduced prices. Limited sizes and styles available so please contact me if you're interested and I'll let you know what I've got. There are also some 'limited edition' items available; when they run out they won't be re-ordered (golf umbrellas and car grille badges) so get in and order one while stocks last.

**My car:** I've been cleaning, and scraping, and sanding, and wire brushing, and (soon to be) painting: bits and pieces here and there - ordering more parts and collating things together for the big re-assemble that lies ahead. Gladly, with the winter solstice behind us now, the days will start to get longer, and warmer, which means more time to get out there and get things moving. I am looking forward to sharing more pictures as things progress in the coming months.
