

The Wollongong / Illawarra Report September / October, 2021

There has not been much going on in the South Coast for quite some time now. But then, not much has been going on in the rest of the State either. I read some of the magazines from other areas and feel very envious of the activities that they seem to be having.

The only real news from here is that the date for the Wings Over Illawarra Air Show (now advertised as The Sydney Air Show for some reason) has been changed. You can read about all the details in the WOI up-date else where in this magazine.

Other than that, we haven't even been able to have our regular monthly meetings for several months so nothing new has been planned. We don't even know if the events we have scheduled between now and Christmas will go ahead - but we are ever hopeful.

Our last big event was a luncheon cruise on Sydney Harbour. It seemed to go off really well, helped by the almost royal treatment afforded us by the crew. The food was pretty good also.

Well, that's all there is for now. Until next time may all your problems be Minor ones.

Wings Over Illawarra (WOI)

WOI is now on Nov 27 & 28 and, if you can believe the advertising, it is bigger than ever. Given the anticipated improvement in the pandemic by that date it is reasonable to expect it to go ahead.

How to book for WOI:

- * look up *Wings Over Illawarra* web site
- * go to the drop down menu *Get Involved*
- * scroll down to *Classic Vehicle Registration*
- * complete the form to register your vehicle

The club has been booked in by President Bob Gilliland as Morris Minor CC of NSW Inc so the Club registration has already been done.

An update from the WOI Website

I already have tickets, are they valid?

Yes! If you have already purchased tickets, we will reissue those tickets with the new dates reflected.

I am traveling from outside the Illawarra, what will I do with my accommodation?

We recommend you get in touch with your accommodation and request to change the dates of your stay. We are extremely confident that venues across the Illawarra will be understanding and work with you on a solution. If you're finding it difficult, please get in touch with us as we are more than happy to help.

Do I need to be vaccinated to attend the air show?

No. At this stage, like all events and venues we are operating under the directives from NSW Health. If this changes, we will be in contact about what that means for you. The latest NSW Covid-19 information can be found at the NSW Health website.
