

Sydney Report

Hello fellow Morris Minorists...

A New Year, some New Cheer! We hope...

Following the AGM in December, I am in again as the Sydney Region Co-ordinator so I apologise in advance for another year's worth of my ramblings to come...

Outings: Well the New Year brought about our traditional trip down to the beautiful town of Berrima where thanks to Ray and his crew, we enjoyed a delicious breakfast and lunch, and once again, the great camaraderie, and communal spirit that is being part of the MMCC of NSW.

Next up on the agenda is the first of our (hopefully, COVID pending) 3 trips out west this year, Gnoo Blas in Orange. This sounds like a great weekend away, from Friday 11 to Monday 14 February.

Following soon after we have the Wellington Vintage Fair weekend on from Friday 4 to Monday 7 March, it's not too late for these (I think) so please let John Ballard or myself know ASAP if you would like to join.

Keep your eye out in the next *Minor Torque* for details of the April outing (which I am still working on), it may, or may not, have something to do with balls, or ducks... or both...

May 15 sees us at the annual Berry car show and stay tuned for the Kangaroo Valley picnic day scheduled for June.

Regalia: The boxes of stock that move between my spare room, garage, and car boot, are still there, and not getting any lighter... I've got:

- * Ladies ¾ sleeve shirts in sizes 10-24
- * Mens long sleeve shirts in sizes S, L, XL
- * Vests in sizes S & L
- * Mens polo shirts (old designs); S & L
- * Caps, Hats, Umbrellas, Windscreen Banners, Car Grille Badges & club stickers as well. Let me know if you would like anything and I can hook you up.

My car: I'm still dreaming, still cleaning (albeit slowly) and still 'working on it', but I hope to have more updates ready for the next issue of *Minor Torque*.

Cheers,
