

The Wollongong / Illawarra Report January / February, 2022

By :- Ray Davies

After a year of Delta restrictions followed by a flurry of Omicron restrictions, we at The Gong haven't been able to do very much. It seems, however, that we are moving into a much better 2022 – or just think we are!

There was no January meeting but we did have a successful 10-Pin Bowling morning. We had to be successful as we were only competing against ourselves

If you look at our Coming Events list you will see that we have whole bevy of events planned. Many are just barbeques as we still don't feel safe congregating with lots of unknown humans.

Of particular note is the 'Anniversary' run. When the Wollongong club was first formed the first outing was a barbeque at Kangaroo Valley. Even though we are no longer the Wollongong club and the date of 22nd May now clashes with the National Motoring Heritage Day, we still have the outing and still refer to it as 'the Anniversary Run'.

Well, that's all there is for now. Until next time may all your problems be Minor ones.
