

Vale Marion Chapman

It is with heavy hearts that we share with club members the sad news of the recent passing of Marion Chapman. Marion was the sister of long serving club member Martin Chapman.

For those who did not know Marion, she was the unofficial club caterer. It was Marion who made sure we had plenty to eat at club outings, but it was her treats that we will all miss.

There was never an outing that Marion did not provide a cake or slice or some other dessert and, if she could not attend the outing, it was sent with Martin. Her fruit cake was the most sought-after prize at the Annual Christmas Raffle.

Marion had a brief battle with ovarian cancer and even whilst in the hospital, it was still the club that she thought about. When Sue & Graeme Gould visited her, she told them to apologise to Les for not being able to make him any more slices.

Marion will be sorely missed by all those who knew her.

Our sincerest condolences go to Martin and the extended Chapman family.

Ann Thompson

Vale Eileen Kerr

Jumbo (James) Pereira and Eileen were long-term members from Wingham, participating in National Rallies (eg Perth 2007, Brisbane 2009, Port Macquarie 2011, Moss Vale 2013, etc, as well as going to Gnoo Blas, All British Day, etc, many times on top of the more 'local' Kempsey Weekends that Colin Trusler organised. Eileen accompanied Jumbo on pretty well all of these occasions, and we have missed them since COVID struck, and we will continue to miss Eileen now. The Club passes on our condolences to Jumbo on the loss of his very dear friend.
