

## The Wollongong / Illawarra Report May-June 2022

The Wollongong-Illawarra Region appears to be settling down to what could best be described as 'post-COVID normal'. Our regular Regional meetings have resumed and we are starting to plan outings with some hope that they will actually happen.

The fly in the ointment seems to be the weather! Even if we have several fine days in a row the ground is so soggy that the venues are closed to us. The MAD (Motorists Appreciation Day) at Berry being a case in point. So far we have managed (with a lot of people's help) to find other venues and activities to entertain us when this happens.

The Coming Events (as documented elsewhere) haven't changed all that much since the last magazine as we showed a LOT of faith and planned well ahead earlier in the year. The first thing that we will have to check on is whether Macquarie Pass is open by June. If you are planning on coming to our Anniversary Run then check with Jim nearer to the day to see what route will be used and, indeed, if Kangaroo Valley is accessible by then. We *may* have to choose another venue.

Well, that's all there is for now. Until next time may all your problems be Minor ones.

Ray Davies  
Co-ordinator of Vice
