

The Wollongong / Illawarra Report July-August 2022

Last issue I complained about COVID and the weather, so this time I'll complain about the weather and COVID. Our June meeting was cancelled because several of our members were isolating due to actual and suspected COVID infections and it was deemed advisable to not associate that night. Our July meeting was cancelled because almost all members were stuck at home due to the inclement weather. Ah well, so much for the best laid plans of mice and men! Fortunately we had planned well ahead earlier in the year.

We did have a very good outing in June to Kangaroo Valley. This is a regular 'Anniversary' run and we usually cater for the barbeque. Unfortunately not one person contacted Jim to say that they were coming so we all had to supply our own sausages. Notwithstanding, with Sydney, Wollongong and Highland members there it was a most enjoyable outing.

Speaking of outings, you will notice a small change to our Coming Events column. The date for the Harry's Café-de-Wheels outing has been put back one week due to a clash of dates with another, unrelated, event. This is an outing that many Sydney members may care to attend as I recall my last *Pie Floater* as being quite delicious. Of course, that was a pretty cold night!

There isn't much else to add at this time so, until next issue, may all your problems be Minor ones.

Ray Davies
Co-Ordinator of Vice
