Caption Competition Just what is being said at Gulgong while inspecting Les Whale's 1000? Best entry wins a bottle of port. Email entries to: editor@morrisminornsw.org.au

A couple of ute photos from John Ballard. "Good to see utes still being used in the UK" was his comment on the blue one. The less said about road safety 1950s style the better...

With all the rain recently, dodging pot holes has become an everyday event. One of these photos isn't a mock-up, showing just how bad some of our roads have become.
