

MMCCNSW Christmas Lunch, Mt Lewis - Dec 11

The Mount Lewis Club was once again the venue for our annual Christmas Luncheon and was well attended by members from the Wollongong, Southern Tablelands and Sydney regions. It was also a great time to catch up with old friends that we have not seen for a while.

After having a tasty hot baked meal followed by pudding and custard everyone had a fun time receiving their Christmas gift. All in all it seemed that the majority of members had a great time.

Thanks must go to Ann Thompson and Stuart Treuer who organised the venue, and purchased and wrapped all of the presents.

There were a couple of trophies presented during the day. The *Most Consistent Member* trophy going to Stuart Treuer for attending the most number of events during the year.

Peter Fogarty received his mileage trophy from Bob Gilliland. Peter has been a keen member of the club and attends the runs in his beautifully presented MGY, accompanied by his faithful dog, Zeena.
