

Mid North Coast

I sent out an invitation to all known past and probably current members and hopefully possible future members - we had 18 people attend, a great turnout.

No pictures of the Minors, sorry; there were only 3, my 57 traveller, a 50 low light, and Glen & Elaine Brown's Series II 4 door sedan.

Also, George Pethard came down from Walcha with his MGB, which traversed the whole West Coast of the Americas, an incredible journey.

The luncheon was very enjoyable, conversations flowed across the table, ideas exchanged, and a general acceptance that we should continue holding further luncheons. There are a lot of cars out there, as WIP cars, hopefully on our next lunch we will see a couple of extra ones.

I haven't checked who are members, I was just happy to see so many people turn up. Here are their names in no particular order: Greg & Cheryl Pickard, Bruce & Lesley Byron, Gary & Helen Fowler, John &

Jan Winter, Robert Neaves, Bob & Maureen Anderson, Glen & Elaine Brown, George Pethard, Raye Johnson, Rod Robe, and Colin & Janet Trusler.

Regards,
Colin
